Safety Instructions:

- There is a risk of crushing injuries when using the pliers spanner. Keep your hands and other parts of your body away from the moving parts of the tool.
- Only use the pliers spanner on the specified spanner width and within the specifications to avoid the risk of damage or injury.
- Ensure that the pliers spanner is set correctly to prevent the joint from slipping.
- Wear suitable protective equipment, especially eye protection, to prevent possible injury from flying objects.
- Keep the pliers spanner out of the reach of children to minimise the risk of injury.
