### Safety Instructions:

- Only use the strap spanner in accordance with the intended application and the manufacturer's instructions.
- Make sure that the strap spanner is not overstressed to avoid breakage or injury.
- Keep the strap spanner away from children to avoid the risk of injury from improper use.
- Check the strap spanner for damage or wear before use to minimise safety risks.
- Always wear suitable protective equipment, such as gloves, when using the strap spanner to prevent injuries.
