Safety Instructions:

- Caution: Before use, make sure that the screw clamp has been properly installed and is undamaged.
- Only use the screw clamp for its intended purpose.
- Keep fingers and other parts of the body away from the clamp during the clamping process to avoid injury.
- Use suitable personal protective equipment, such as gloves, when working with the screw clamp.
- The screw clamp is not suitable for children; store in a safe place.
- Improper use can result in injury; only use the clamp on stable and non-slip surfaces.
