Safety Instructions:

- Ensure that the clamp is stable during use to prevent injuries from falling.
- Only use the lever clamp for its intended purpose to avoid overloading.
- Keep hands and body parts away from moving parts during use to avoid injury.
- To minimise the risk of accidents, do not leave the clamp unattended on a work surface.
- Check the condition of the clamp for damage or wear before use.
- Ensure that the lever clamp is used and stored out of the reach of children.
