Safety Instructions:

- Not suitable for children under 3 years of age as small parts may be present.
- Electrical appliances should be used in a dry and safe area. Avoid use near water sources and protect from damp environments to minimise the risk of electric shock.
- Never leave the laminator unattended while it is in operation. For safety reasons, switch off the appliance after 30 minutes of non-use.
- Handle hot surfaces that arise during operation with care. Do not attempt to remove a stuck document by force. Check for overheating before use.
- Check the device regularly for visible damage and do not use it if it is damaged. Ensure that the foils are inserted correctly to prevent the appliance from overheating.
- Only use safely in accordance with the operating instructions. Ensure that the power connection is secure and stable.
