

Product Safety Information

Sliding door wardrobe ULM, 3 OH

Please note the technical data of the products!

Article Numbers: 15015, 15014, 15013, 15012, 110993, 101431

Safety Instructions:

- Make sure that the cabinet is placed on a stable and level surface to prevent it from tipping over.
- Avoid overloading the shelves to ensure stability and prevent bending or breaking.
- Keep children away from cupboard doors to avoid injury, especially when opening or closing them.
- Regularly check hinges and locks for proper functioning and tighten screws if necessary.
- Use a lock to prevent unauthorised access.
- Keep the cabinet away from hazardous substances, flammable materials, open flames and sources of heat.
- Read the installation instructions carefully before use and follow the manufacturer's instructions.
- Pay attention to sharp edges and corners - risk of injury to children.
- Product not suitable for damp environments or for children under 3 years of age due to choking hazard from small parts.
- Secure the cabinet to the wall if it is not stable to avoid the risk of it toppling over.
