Article Numbers: 153915, 153914

Safety Instructions:

- Avoid overloading to prevent breakage and injury.
- Ensure that the shelf is properly assembled and that all fixings are correctly and firmly in place to prevent it from tipping over.
- Do not exceed the maximum load capacity to ensure stability.
- Avoid using damaged shelves.
- Observe user safety when handling shelving on sloping or uneven surfaces to minimise the risk of tipping over.
- Keep the shelving system clean and free of obstacles to minimise the risk of falling.
- Use protective clothing and suitable tools during assembly or installation.
