Safety Instructions:

- Not suitable for children under 3 years of age due to small parts that may pose a choking hazard.
- Avoid contact with water or a damp environment to prevent damage, especially to the cardboard core and hardboard.
- The product should only be used under adult supervision or by adults themselves to avoid the risk of injury from sharp edges or small parts.
- Regular inspection of the product for mechanical damage is recommended to minimise safety risks.
- Do not overload the product to ensure the stability and function of the lever mechanism and the entire product.
- Do not store near fire or extreme temperatures to avoid deformation and damage.
- Use the product in accordance with the safety instructions and instructions for use provided.
- Avoid contact with extreme temperatures or direct heat to protect the materials.
- Keep the product away from small children to prevent small parts from being swallowed.
- Do not use the product if it is damaged; if necessary, contact the manufacturer for replacement or repair.
