Safety Instructions:

- Keep out of the reach of children to avoid the risk of choking on small parts.
- Do not use the product improperly to prevent injury. Read the enclosed instructions carefully to ensure safe use.
- This folder is not suitable for children under 3 years of age.
- Make sure that your fingers are not trapped when closing the folder.
- Avoid contact with water to preserve the quality of the laminated surface.
- Keep the folder away from moisture, direct sunlight and extreme temperatures to protect the materials.
- Do not use the folder to carry heavy objects and take care not to overload the folder to avoid damage.
- Make sure that the folder is placed on a stable surface to prevent it from tipping over.
