Safety Instructions:

- For indoor use only. Not suitable for outdoor use.
- Risk of suffocation due to improper handling of cables.
- Ensure that the cable bridges lie firmly and non-slip on the floor.
- Regularly check the cable bridge for physical damage.
- Make sure that no cables extend beyond the cable bridge.
- Avoid overloading with more than the specified load capacity.
- Keep the cable bridge free of obstacles to avoid tripping hazards.
- The product should only be used for passenger transport.
