Article Numbers: 174316, 174315

Safety Instructions:

- Improper use of the cable can lead to electrical problems.
- Avoid pulling or bending the cable over sharp edges to prevent damage.
- Keep the cable away from water and other liquids as well as damp environments to avoid short circuits.
- The cable is not suitable for outdoor use; only use it in dry indoor areas.
- Only use the cable with devices that support the USB 3.0 specification.
- Check the cable for damage before use.
- To avoid damage, do not subject the cable to excessive forces.
- Only use the cable with compatible devices in accordance with the manufacturer's instructions.
- Keep the cable away from heat sources to prevent defects.
