Article Numbers: 174325, 174324

Safety Instructions:

- Avoid improper handling to prevent damage to the cable.
- Do not bring into contact with water or other liquids to avoid short circuits.
- Do not use the cable in ambient temperatures outside the standard range.
- Do not kink the cable or pull it over sharp edges to prevent damage.
- Ensure that the cable is properly connected to avoid potential transmission interference.
- To reduce the risk of electric shock, do not use the cable if it is damaged.
- Store the cable in a childproof place to avoid the risk of choking if swallowed.
