Safety Instructions:

- The bag should not be used in the vicinity of children to avoid the risk of choking on small parts.
- Before use, check that the self-adhesive materials adhere well and that there is no risk of external damage.
- Avoid contact with sharp objects to prevent damage to the bag.
- Make sure that the bag is used in a dry environment so as not to impair the waterproof function.
- Dispose of the product in accordance with local regulations for recycling materials.
- The document pouch must not be used near fire or heat sources as it is made of plastic materials.
- Avoid direct contact with corrosive or chemically aggressive substances, as the materials could be affected.
- Make sure that the surface on which the document pouch is attached is clean and dry to ensure optimum adhesion.
