Safety Instructions:

- Contains self-adhesive small parts that may irritate the skin or eyes. Ensure safe handling and avoid improper use.
- Before use, ensure that the product adheres to the intended surfaces and leaves no residue. Surfaces should be clean and dry to ensure optimum adhesion.
- Use in the electrical sector: Make sure that the labelling device can print special electrical symbols. Only use with suitable devices.
- Do not use near water sources to avoid the risk of short circuits.
- The lettering is smudge-proof, scratch-proof and weatherproof, but it is essential to check adhesion regularly.
- Not suitable for children. Observe the instructions for safe use.
- The product should be used in accordance with the manufacturer's instructions in order to minimise possible risks.
