Safety Instructions:

- Not suitable for children under 3 years due to choking hazard from small parts.
- Small parts can pose a choking hazard, especially if used improperly by children.
- Protect from direct contact with water so as not to impair the adhesive performance.
- Use on non-ferromagnetic surfaces can impair the adhesive strength.
- Only use the product on ferrous surfaces to ensure that it adheres.
- Do not store above electrical sources, as magnetic fields can interfere with electrical devices.
- If used improperly, the magnetic tape can fall off the surface, which can lead to damage or injury.
- Magnetic tape may not be suitable for children if used incorrectly.
- When used on rough surfaces, the magnet could be torn off, which may pose a risk.
- Include clear instructions for safe use to minimise the risk of accidents.
- Take care when handling on surfaces containing iron to avoid unwanted adhesion.
