## Safety Instructions:

- Not suitable for children - risk of injury if used improperly. Keep the product out of the reach of children. Ensure that children do not play with the product unsupervised.
- Monitor the weight of the filled waste bag to prevent the waste bin from tipping over. Ensure that the waste bin is placed on a stable and level surface to prevent it from tipping over. Keep the area around the waste bin free of obstacles.
- Avoid contact with sharp objects to prevent injury or damage. The surface may have sharp edges; take care when handling. Use suitable protective gloves when emptying the bin liner.
- The products should not be assembled or maintained without instructions. Only use the product for its intended purpose.
- Observe the maximum filling quantity of 120 litres to ensure safety. Avoid overloading the container to prevent it from falling out, tipping over or being damaged.
- Regularly check the condition of the waste bin to avoid safety risks. Ensure that the waste bags are properly and securely fastened.
- The product is intended for indoor and outdoor use, but please note the weather conditions.
- The use of this product requires proper handling to avoid injury.
