Please note the technical data of the products!

**Article Numbers:** 30676, 30675, 30674, 30354, 30353

### Safety Instructions:

- Take care when handling parts made of steel and take suitable protective measures against sharp edges to avoid injury.
- Heavy objects can cause injury if handled incorrectly; ensure that the shelf is fitted correctly to ensure stability and safety.
- Observe the maximum load capacity of the shelf before use and do not exceed it in order to avoid the risk of overloading and potential instability.
- When using the shelf, ensure that it is placed on a suitable surface to prevent it from tipping over.
- Provide instructions for safe use and maximum load capacity to prevent damage or injury.
- Use only for the intended purpose to avoid damage or injury.
- Wear suitable protective gloves during installation to avoid injury from sharp edges.
