

Product Safety Information

Shelf for System R 3000/4000 and FBR 2200, 995 mm wide, galvanised

Please note the technical data of the products!

Article Numbers: 30551, 30550, 30549, 30545, 30544, 30543, 30542, 30538, 30537, 30536, 30535, 30552

Safety Instructions:

- Note maximum load capacity: 100 kg, 200 kg, 300 kg, 400 kg - each with evenly distributed load.
- The product is not suitable for use by children in order to avoid the risk of suffocation and accidents.
- Use suitable protective equipment and ensure correct assembly and stable installation.
- When installing, ensure that the structures are stable and structurally supported in accordance with the instructions.
- Distribute the load evenly to minimise the risk of structural failure.
- Only use the product for its intended purpose in dry indoor areas.
- Carry out regular inspections for damage, cracks or wear to ensure stability.
- Do not load the product above the recommended weight to ensure stability and safety.
- Risk of tipping over or damage if used improperly; read the instructions for use carefully.
- Ensure correct storage and transport conditions.
