Please note the technical data of the products!

Article Number: 155090

Safety Instructions:

- Caution: Heavy weight up to 1,250 kg, ensure that the workbench is only used on a stable surface.
- Avoid overloading the drawers, as they have a maximum load capacity of 100 kg.
- The hob nozzles or drawers can become trapped if used incorrectly, take care when opening the drawers.
- The surface treatment is environmentally friendly, but make sure it is cleaned properly to avoid chemical residues.
- Careful handling when opening and closing the door with self-retracting spring hinges to avoid crushing.
