Safety Instructions:

- Check the stability of the tool troughs to prevent accidents caused by unexpected slipping or tipping over.
- Avoid contact with sharp tools or sharp objects to prevent damage to the troughs.
- Using the troughs with heavy or sharp-edged tools can increase the risk of injury.
- Ensure that the trays are correctly fitted in the drawer to prevent them from falling out during use.
- Secure the trays to prevent confusion with food and keep them away from small children to avoid the risk of choking.
- The trays must not be placed near heat sources or naked flames to avoid the risk of melting.
- The skips may only be used for their intended purpose.
