

# Product Safety Information

## Workbench type 7000-1

**Manufacturer/Responsible Person:** RAU GmbH, Im Rohrbach 14 + 16, 72336 Balingen-Frommern, Deutschland

**E-Mail:** info@rau-gmbh.de

Please note the technical data of the products!

**Article Numbers:** 155108, 155107, 155106, 155105

## Safety Instructions:

- Observe and do not exceed the maximum surface load of 1,000 kg.
- Floor anchoring recommended for additional stability; use suitable fasteners.
- Load drawers to a maximum of 100 kg; observe safety measures when opening to avoid injury.
- Check the spring locking of the doors to prevent injuries.
- Product is designed for adults; do not use for children.
- Provide safety information for installation and use; observe user instructions.
- Only use the product on stable surfaces.
- Protect the worktop from intensive chemical stress; lacquering is environmentally friendly, but care should be taken with intensive cleaning.
- Use suitable tools for assembly and installation.
- Keep small parts away from children during assembly.
- Follow instructions for safe use and disposal.
- Use the central locking system to prevent unauthorised access.
- Children should not play unsupervised near the workbench to avoid injury.
