Safety Instructions:

- The product is not suitable for children under 3 years of age as it may contain small parts that pose a choking hazard.
- Keep the product dry and avoid exposure to moisture to prevent mould growth and damage.
- Before use, ensure that there is no visible damage. Do not use damaged products.
- Only use the product for its intended purpose to avoid injury and damage.
- Ensure that all parts are firmly connected to prevent them from slipping or tipping over.
- Do not store the product near fire or in direct sunlight to avoid discolouration and risk of fire.
- Please keep packaging safely away from children as it can pose a choking hazard.
- Avoid excessive pressure and overloading to prevent fractures and deformations.
- Check the product for sharp edges before use and handle with care to avoid injury.
- Ventilate well, as vinyl chloride emissions may occur.
