Please note the technical data of the products!

Article Numbers: 32458, 32457, 32456

Safety Instructions:

- Assemble the shelf securely to prevent it from tipping over or collapsing.
- Observe the maximum load-bearing capacity of the shelves to ensure stability.
- Use suitable tools and techniques during assembly to prevent injuries.
- Keep children away from the shelves and heavy objects to avoid accidents.
- Place the shelf on stable, level surfaces to prevent it from wobbling or tipping over.
- Include safety information and installation instructions in a language that is easy to understand.
- Regularly check the stability and integrity of the shelves.
- Sharp edges or splinters can cause injuries; use suitable protective equipment.
