Safety Instructions:

- Choking hazard due to small parts. Keep out of the reach of children and take care when emptying the office perforator.
- Risk of injury from mechanical parts and incorrect use of the stapler. Do not touch the cutting area and stitching tool. Read the operating instructions before use.
- To avoid jeopardising safety, do not open or modify the product improperly.
- Not suitable for children under 3 years of age.
- Do not touch the cutting area of the hole punch to avoid injury.
- Do not use the product near water or in damp conditions to avoid electrical hazards.
- For safe use, follow the instructions for use.
