Article Numbers: 138493, 138492

Safety Instructions:

- Only use the product in suitable areas and check for visible damage before use.
- Only use on non-slip, level surfaces to prevent tipping and slipping.
- Ensure even weight distribution and do not increase loads above the recommended load capacity.
- Only use roller supports for intended loads to ensure stability.
- Always supervise children when they are in the vicinity of the trivets.
- Do not allow any loose parts or obstacles in the movement area of the roller pedestals.
- Follow the instructions for safe handling and installation of the product.
