Safety Instructions:

- Secure the pedestal ashtray during outdoor use and in strong winds to prevent it from tipping over.
- Only use the pedestal ashtray for its intended purpose.
- Keep the pedestal ashtray away from flammable materials to minimise the risk of fire.
- Empty the pedestal ashtray regularly to prevent waste from overflowing and to avoid hygiene problems.
- Avoid fire hazards due to improper handling of cigarettes.
- Use the triangular spanner to lock the pedestal ashtray.
- Ensure that the pedestal ashtray is securely anchored and in a stable location to prevent injury from falling or tipping over.
- The pedestal ashtray should be handled with care to avoid injury.
