Safety Instructions:

- Make sure that the wardrobe stands on a stable and level surface to prevent it from tipping over and that it is mounted on a stable wall.
- Observe the maximum load capacity and avoid placing heavy objects on the top or overloading shelves to ensure stability and safety.
- Ensure that all screws and components are fitted and checked in accordance with the manufacturer's instructions to avoid injury.
- Keep doors closed and take care when opening them to avoid crushing or injury.
- Sharp objects should not be used on or near the cabinet to prevent scratches and injuries.
- Children should not be allowed access during assembly and use; they should not climb into the cabinet or play in it.
- Avoid placing the cabinet in damp areas and keep it dry to prevent damage.
- Check the cabinet regularly for signs of damage or wear and tear so as not to jeopardise safety.
- Read the installation instructions carefully and use recommended wall mounting systems for additional safety.
