Safety Instructions:

- Take care when handling sharp edges. Sharp edges and small parts can cause injuries and choking hazards, especially for children, so please handle with care and keep out of the reach of children.
- Only suitable for indoor use and protect from damp environments.
- Ensure that furniture or cupboard systems are securely attached and fixed to the wall to prevent them from tipping over.
- Close and lock cabinet doors securely to prevent injury and unauthorised access.
- Do not load above the recommended load; heavy items should be placed on lower shelves to ensure stability.
- In the event of damage or malfunctions, discontinue use immediately.
- Do not use the cupboard as a climbing frame, as there is a risk of falling.
- Small children should not be left unattended near the cupboard.
- The wardrobe should be placed on a stable surface and the stability of the shelves and clothes rail should be checked regularly to avoid breakage or injury.
- Check the espagnolette lock regularly to ensure that it is working properly to prevent unauthorised access.
- Follow the installation instructions carefully to ensure a safe and stable installation.
