Article Numbers: 19840, 19839, 19838

Safety Instructions:

- Ensure that the coat rack is securely mounted to prevent it from tipping over.
- Only use the coat rack for its intended purpose to avoid injury.
- Avoid placing heavy or bulky objects on the top so as not to impair stability.
- Avoid tripping hazards at the location to prevent falls.
- The light metal construction may have sharp edges; take care when handling.
- When used in areas with children, the stand should be stable and firm.
- Regularly check the strength of the hook and structure to avoid safety risks.
- Keep away from humid environments to prevent corrosion.
- Avoid overloading the hooks to prevent damage.
- Keep the stand away from heat sources to prevent the material from overheating.
- The product is not suitable for use by children without supervision.
