Article Numbers: 177306, 177293, 177282, 177276, 177268

Safety Instructions:

- Do not use near water; suitable for dry indoor areas to avoid short circuits.
- Take care not to kink or overstretch the cable or subject it to excessive mechanical stress in order to avoid damage and possible risks.
- Beware of overheating of the cable during use; avoid overloading or poor connection to prevent overheating.
- Improper use can lead to data loss.
- Suitable for indoor use, not for outdoor use.
- Not suitable for children under 3 years; choking hazard due to small parts.
- The product must not be used damaged or defective; check for visible defects before use.
- Keep cables away from hot surfaces.
- Be careful when connecting and disconnecting the RJ45 plugs to avoid damage.
