Please note the technical data of the products!

Article Numbers: 177309, 177299, 177292, 177286, 177277, 177269

Safety Instructions:

- Risk of suffocation due to improper handling of cables.
- Risk of injury and risk of electrical overload in the event of improper use or damage to the cable.
- Do not use the cable near water sources and protect it from moisture to avoid electric shocks and water damage.
- Before use, ensure that the cable is intact to avoid electric shocks or short circuits.
- Keep the product away from children as it may contain small parts.
- Not suitable for use in damp or wet environments. Suitable for dry indoor areas.
- Do not overload, bend or crush the cable to avoid damage.
- For indoor use only.
- Observe the maximum cable length to avoid signal loss.
