

Product Safety Information

Hansa LED table lamp SPACE, 200 lumen

Manufacturer/Responsible Person: Styro GmbH, Industriestr. 2, 91583 Schillingsfürst, Deutschland

E-Mail: verkauf@styro.de

Please note the technical data of the products!

Article Numbers: 186724, 186723

Safety Instructions:

- Avoid contact of the light with water or damp environments to prevent electric shock.
- The built-in LED lamp cannot be replaced; attempting to replace it may damage the luminaire.
- Keep the light away from children to avoid the risk of choking on small parts.
- Only use the light with the intended mains voltage to minimise damage and electric shocks.
- Avoid contact with the surface of the lamp during operation, as it becomes very hot and there is a risk of burns.
- The light can cause damage if handled incorrectly.
- Watch out for overheating when using the light.
- Switches and height-adjustable parts must be operated in such a way that there is no risk of injury.
