Safety Instructions:

- Store securely to avoid the risk of documents leaking.
- The folder is not waterproof; do not place liquids near it and keep it away from moisture.
- The folder is not suitable for use near open flames or extreme heat sources. Avoid extreme temperatures and direct sunlight.
- Make sure that the elasticated folder is not overloaded to prevent the material from tearing.
- If used incorrectly, the elastic band may tear; therefore handle with care and do not overstretch.
- Avoid contact with sharp objects to prevent damage to the material.
- Keep the folder out of the reach of small children to avoid the risk of choking on small parts. The product is not suitable for children under 3 years of age.
- The manufacturer should ensure that the materials used are free from harmful chemicals.
- Only use the elasticated folder for its intended purpose to ensure safe use without harming your health.
