

Product Safety Information

Retaining strap for 2 x 60 l drums

Please note the technical data of the products!

Article Number: 134170

Safety Instructions:

- Ensure that the retaining strap is correctly and firmly attached to prevent the drums from slipping out.
- Make sure that the drums are empty and dry before attaching the retaining strap.
- Regularly check the condition of the retaining strap for wear or damage to ensure that it functions properly.
- The tether is not intended for the transport of hazardous or unauthorised materials.
