Article Numbers: 164157, 164156

Safety Instructions:

- Make sure that the panels are stable to prevent them from tipping over.
- Avoid use in extreme weather conditions and in damp rooms or outdoors.
- Check the panel fastenings and connections regularly to ensure safe operation.
- Only use the optional castors on hard, level surfaces and ensure that their mobility does not lead to sudden tipping over.
- Keep the panels away from heat sources and direct sunlight to prevent damage.
- Store smaller assembly parts safely to avoid the risk of suffocation.
- Beware of sharp edges during assembly or handling.
- Ensure that children under 14 years of age are supervised when using the device in schools or public facilities.
- Do not stow heavy or uneven loads on the board.
