Safety Instructions:

- Please ensure that the maximum load capacity of 600 kg is not exceeded.
- During use, ensure that no persons are in the danger zone of the moving parts.
- The components included are not suitable for children, leave unsupervised.
- Always load the cabinet trolley evenly to avoid the risk of tipping.
- Always ensure that the trolley is on a level surface after use.
- Ensure that the cabinet trolley is not brought into areas with high humidity or chemical vapours.
- Ensure even weight distribution when transporting heavy loads.
- Secure the doors to prevent unauthorised opening.
- Always use the brakes on the swivel castors when the trolley is stationary.
