E-Mail: info@schulte-onlineshop.de

Please note the technical data of the products!

Article Numbers: 32466, 32465

Safety Instructions:

- The feet must not be loaded above the recommended load capacity of 1.8 kg to avoid the risk of breakages and falls. Observe the maximum load capacity to avoid damage or accidents.
- Ensure that the feet are correctly fitted to the screw rack and that they are level and stable to ensure stability and prevent tipping.
- Suitable for use in dry environments; not recommended for use outdoors or in humid conditions.
- Not suitable for children under 3 years of age as small parts can be swallowed.
