Safety Instructions:

- Not suitable for children under 3 years due to small parts.
- Excessive stacking can damage the product or cause injury.
- Not intended for use in hazardous environments, e.g. near water.
- Keep the storage basket out of the reach of small children to avoid the risk of suffocation.
- Avoid excessive load on the storage basket over 4 kg to prevent breakage or material failure.
- Keep the storage basket away from heat sources and damp conditions to prevent deformation of the plastic.
- When using the stacking basket attachments, ensure that the maximum stacking height of 10 letter baskets is not exceeded.
- Safe to use and protect from falls, especially when stacked.
- The product should not be used with water or in extreme conditions to avoid injury or damage.
- Ensure that the product is placed on a stable surface to prevent it from tipping over.
- Sharp edges or parts can cause injuries if handled incorrectly.
- Protect the product from moisture and direct sunlight.
