Safety Instructions:

- Make sure that the drawer box is not overloaded to prevent the drawers from tipping or jamming.
- Use the drawer box on a stable surface and keep the drawers closed.
- Avoid using the drawer box near heat sources, humid environments, excessive heat or fire.
- The box is not suitable for storing food.
- Children should be supervised when using the box in order to minimise injuries.
- Take care when stacking the drawer box to prevent it from falling over.
- Keep the box away from sharp objects to protect the surface and handle sharp edges with care.
- Choking hazard due to small parts if used improperly or by small children, not suitable for children under 3 years of age.
- Use only for the intended purpose to avoid damage or injury.
- Please keep the box out of the reach of children when not in use.
- Before use, ensure that the box is not damaged to avoid injury.
- The manufacturer's liability for safety problems in accordance with the regulation is guaranteed.
- Enclose packaging information and additional safety instructions in accordance with the requirements of the General Product Safety Regulation.
