Safety Instructions:

- Make sure that the product is stable on a level surface to prevent it from tipping over.
- Avoid sharp or abrasive objects that could damage the surface.
- Use by children should be supervised to avoid accidents.
- Follow the installation instructions carefully to ensure correct and stable installation.
- Keep the product away from water and moisture to prevent material damage.
- Ensure a secure stand by using the integrated height adjusters within the specified limits.
- Be aware of the risk of injury during assembly and use, especially with heavy contents.
- Observe the maximum load specifications to prevent tipping or structural damage.
- Keep the product away from heat sources and open flames to minimise the risk of fire.
- Keep the area around the product free of obstacles to minimise the risk of falling.
