Article Numbers: 57509, 57508, 57507

Safety Instructions:

- Instruct children not to play with the binding pieces to avoid the risk of choking on small parts.
- Ensure that the binding spines do not come into contact with hot surfaces or liquids in order to minimise the risk of fire.
- Avoid using the product near water to reduce the risk of electrical safety problems.
- Follow the inflation and expansion instructions to ensure that the binding spines are used according to the permitted number of sheets.
- Not suitable for children under 3 years of age due to small parts that could pose a choking hazard.
- Use with caution to avoid the risk of crushing or cutting injuries.
- Ensure that the product is used in accordance with the instructions to ensure safety.
- Provide safety information in clear and understandable language.
- Observe the regulations for the safety of plastic products.
