Safety Instructions:

- Before use, ensure that the speed bump is properly installed and secured to prevent movement or tipping.
- Pay attention to the speed when driving over: only <10 km/h. Not suitable for speeds above 10 km/h.
- Check reflectors regularly for proper functioning; reflective properties may vary in certain lighting conditions.
- Avoid use in extreme weather conditions that could impair visibility.
- Use suitable fixing bolts for installation and ensure the correct number.
- The product is made from recycled material; dispose of in accordance with local regulations.
- Only use the product on flat, stable surfaces.
