

Product Safety Information

Crossbar for tire rack R 3000

Please note the technical data of the products!

Article Numbers: 30513, 30512, 30511

Safety Instructions:

- Only use the shelf in accordance with the safety instructions and installation guidelines on the product or in the packaging.
- Use the enclosed screws to mount the crossbars securely and secure at least 2 pairs of crossbars per bay to avoid the risk of excavation.
- Do not overload the shelf to prevent it from tipping over and check its stability and safety before use.
- Check regularly for damage or wear and tear to ensure safety.
- Keep children away from the use and vicinity of the product.
- Small parts can potentially cause health risks.
