Safety Instructions:

- Ensure that the mesh side panel is firmly and stably attached to the shelf upright to prevent it from tipping or falling over.
- Use suitable protective devices or materials to avoid injury from sharp edges or corners.
- Carry out regular checks for wear or damage to minimise potential safety risks and replace damaged parts immediately.
- Keep the assembly tools and materials out of the reach of children.
- Avoid using the mesh side panel in areas with intensive use in order to minimise damage or accidents.
- Read and follow the installation instructions carefully to avoid injury and always use the fixing material supplied.
- Ensure that the mesh side panel is suitable for the correct shelf height to minimise the risk of it falling over.
- Avoid overloading the grille side panel with heavy objects to prevent damage.
- In the event of visual damage to the lattice side panel, do not use it.
- Inform all users about safe use and installation.
- Use only for the intended use as a shelf side panel. No other applications authorised.
