

Product Safety Information

System R 4000 drawer partitioning, quarter partitioning, compartment width 451 mm

Please note the technical data of the products!

Article Numbers: 30499, 30477, 30476, 30455

Safety Instructions:

- Ensure that all parts are properly fixed and secured to prevent tipping or collapsing and to minimise the risk of injury.
- Follow the installation instructions and safety information carefully to ensure proper installation and use.
- Only use the products in accordance with their intended use to avoid injury or damage. Do not place heavier objects than recommended on the drawer dividers.
- Make sure that the drawers are not overloaded during use to avoid damage or injury.
- When using in a child's room, ensure that there are no small parts that can be identified as a choking hazard by small children. Keep out of the reach of children.
- Check design features to ensure that there are no sharp edges.
- Ensure that the installation is stable to prevent it from tipping or falling over.
