Please note the technical data of the products!

Article Number: 64608

Safety Instructions:

- The film could tear easily on edges or sharp objects if used incorrectly.
- When using the self-adhesive backing, make sure that the surface is clean and dry to prevent it from peeling off.
- Do not store near heat sources or in direct sunlight so as not to compromise the integrity of the film.
- Keep for the safety of children, as small parts or leftovers can be considered a choking hazard.
