Article Numbers: 47642, 47641, 47640, 162762, 162759

Safety Instructions:

- Not suitable for children under 3 years of age as there is a choking hazard due to small parts. (also: "Keep away from children to avoid choking on small parts.")
- Before use, ensure that the laminating machine is working properly and is safe.
- The laminating films should not be stored near heat sources in order to avoid deformation.
- Use only with suitable laminators.
- Avoid overheating, use the laminator in accordance with the operating instructions.
- Use suitable protective equipment (e.g. gloves) when handling laminators.
- Keep the laminating film away from children to avoid the risk of choking on small parts.
- Avoid contact with hot laminators to prevent burns.
- Heating the laminating film can lead to smoke development. Only use in well-ventilated areas.
- Avoid direct contact with the heating unit of the laminator.
- Do not laminate sensitive or heat-sensitive materials.
