Please note the technical data of the products!

Article Number: 27182

Safety Instructions:

- Use a double-bit high security lock to prevent unauthorised opening.
- Anchor the filing cabinet securely to the wall or floor to prevent it from falling over.
- Take care when handling heavy objects; avoid back pain.
- Small parts or loose elements should be avoided to reduce the risk of injury.
- Security level S1 and A in accordance with the relevant standards guarantee security against unauthorised access.
