Safety Instructions:

- Store the labels in a dry and cool place so as not to impair their adhesive strength.
- When using laser printers or copiers, you should observe the device specifications and use the recommended printer settings to prevent damage to the printer.
- Make sure that the surface to which the labels are to be applied is clean and dry to ensure optimum adhesion.
- Avoid contact of the labels with direct heat or flames as well as with harsh chemicals to prevent damage.
- Please note that the labels should not be used near heat sources, as they cannot withstand temperatures above 150 °C.
- Avoid direct contact with liquids so as not to impair the adhesion of the labels.
- The labels are not intended for use in food packaging applications.
- Keep the labels out of the reach of children, as they could be a source of danger if torn off the sheets.
