Safety Instructions:

- Take care not to exceed the load capacity of 85 kg.
- Ensure that the shelves are stable and correctly assembled.
- Distribute the weight evenly on the shelf to prevent it from tipping over and to ensure stability.
- Do not overload shelves to avoid injury or damage. Please note the maximum load capacity: 85 kg.
- Keep small children away from the device to avoid injury. Not suitable for children under 36 months.
- Always set up shelves stably and on a level surface.
- Observe the safety instructions for installation and use.
- Use shelf anchoring to avoid the risk of falling.
- Only use the shelves for their intended purpose.
